Senior Class Trip '79

On April 6, 1979, at 4:45 a.m., the OHS seniors left by two Greyhound buses to Chicago. The first stop was the Museum of Science & Industry. Then they went to the Stock Exchange. The Hancock Building was the next stop. There they saw a beautiful view of the city on the 96th floor. For supper, the seniors went to the Pinnacle, which is a revolving restaurant with superb food. All the seniors had a fantastic time.

ROW 1 (L-R): Tom Miller, Kay Koester, Eric Kaufman, Barb Horstman, Angie Bruns; ROW 2: Advisor Mrs. Baransy, Leann Miller, Darrell Hohlbein, Nancy Turnwald, John Schneeg, Brenda Eickholt, and Ginny Fischbach.

The Journalism class this year tried to involve everyone in the class in the production of the ''Highlighter'' and let everyone know what each job was all about. There was no permanent staff chosen, rather they took turns each month being editor, assistant editor, lay-out editor, and assistant lay-out editor. The rest of the class helped with typing, proof-reading, and advertising. This allowed each student to participate in different departments of the newspaper staff and learn how to work with the newspaper from every angle.

Advisor's Note

The number ''13'' became a lucky one for readers of the HIGHLIGHTER as our novice staff of 13 set out to produce eight issues of the school paper. After a visit to our patron, THE DELPHOS HERALD, the staff realized the challenge ahead of them. The jobs of ediors and lay-out editors changed each month in order to give everyone a position of leadership. Our thanks go to the DELPHOS HERALD and their helpful staff and to our readers and their suggestions and quarters. My personal thanks go to a special group of 13 people I was lucky to call ''my staff.''

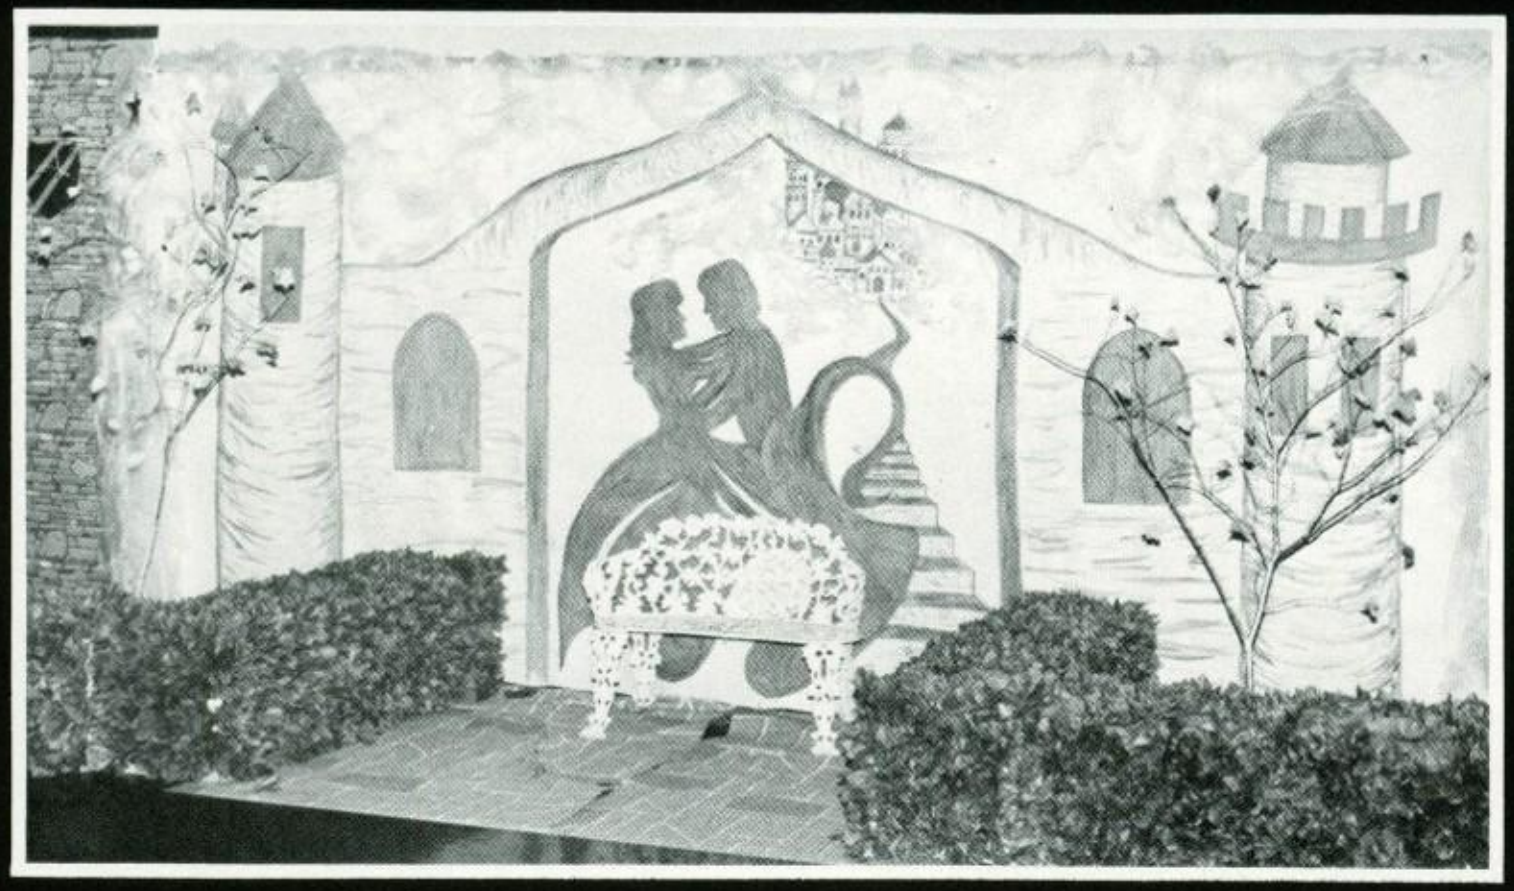
On February 9, 1979, Ottoville High School presented its Seventh annual Honecoming ceremonies during the Ottoville-Continental basketball game.

The Senior Class sponsored a dance February 10, 1979, in honor of the Royal Court. The semi-formal dance was titled, "Somewhere in the Night."

Castle Of Dreams



Together we have made it,
Together we shall go on.
We have such precious time
to share;
They are withering and
gone.

Together we hold
yesterday's memories;
Await tomorrow's dreams.
We know where our reality
lies,
yet it seems,
We sometimes need our
''Castle of Dreams''.

Geri Luersman

On April 27, 1979, the OHS juniors prepared for the seniors their ''Castle of Dreams.'' Under the supervision of Miss Doris Shawley the evening was a huge success and will be long remembered by those who participated. The music was provided by F.J. Boerog.

Thank you Miss Shawley and Class of 1980!

I am extremely pleased with the performance of the 1978-79 Varsity Basketball Team. With little experience returning, the "Big Green" reached the District in tournament play for the fourth straight year and compiled a fine over-all record of 16-7. Ten boys lettered and all contributed to the success of our season.

I would like to thank the team and all who participated in our basketball program for their cooperation this season. Everyone contributed in carrying on the fine basketball tradition at O.H.S.

In the beginning of the season it looked like if we won over half of our games it would be a good season. The sophomores and juniors worked together to play outstanding defense all season. They were flexible on offense and defense and were able to make changes anytime during the game. They gave our fans pleasure with their fast-breaking offense and their hardnose defense. Thanks to everyone who helped make this such a fine season.

This year the girls basketball season had both high points and low points; but, when reviewing all the various aspects of the season, there is no doubt that the 1978-79 season was a very successful one for girls basketball. Although we were eliminated from tournament early by an overtime loss to Antwerp, we finished the season with a very fine record of 12 wins and 5 losses.

I am pleased and extremely proud to have had the privilege to work with this group of fine young women. Each girl who participated in the program made significant contributions, and I would like to thank everyone for the effort put forth in the season.

The 1979 Baseball Team's record and achievements speak for themselves. This team established one of the best win and lost records in the school's history. It had more players honored in the PCL than any other county team. There was dedication, pride, courage, and baseball skills shown by each team member to make the season a success.

It was a joy and a pleasure to coach the 1979 Baseball Team.

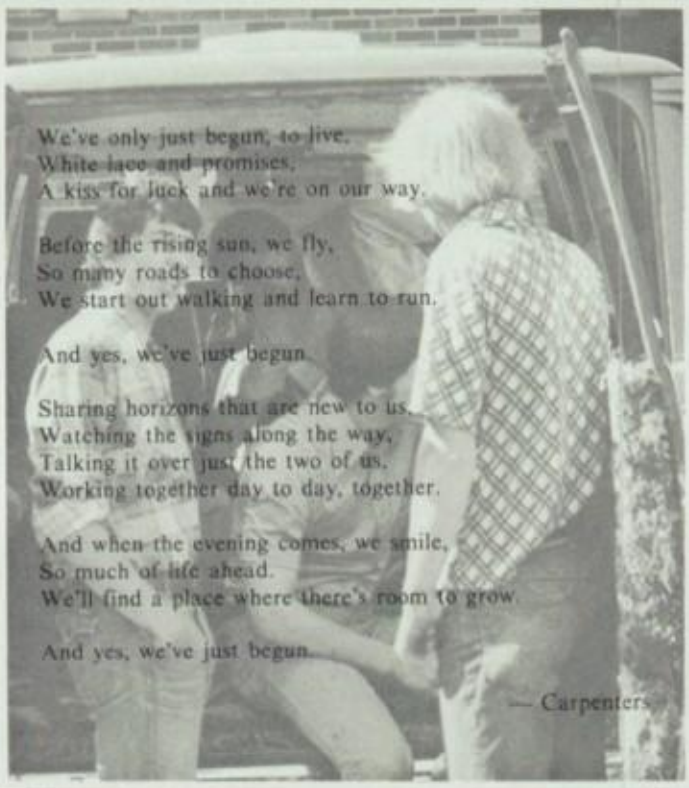
We've only just begun, to live,
White lace and promises,
A kiss for luck and we're on our way.

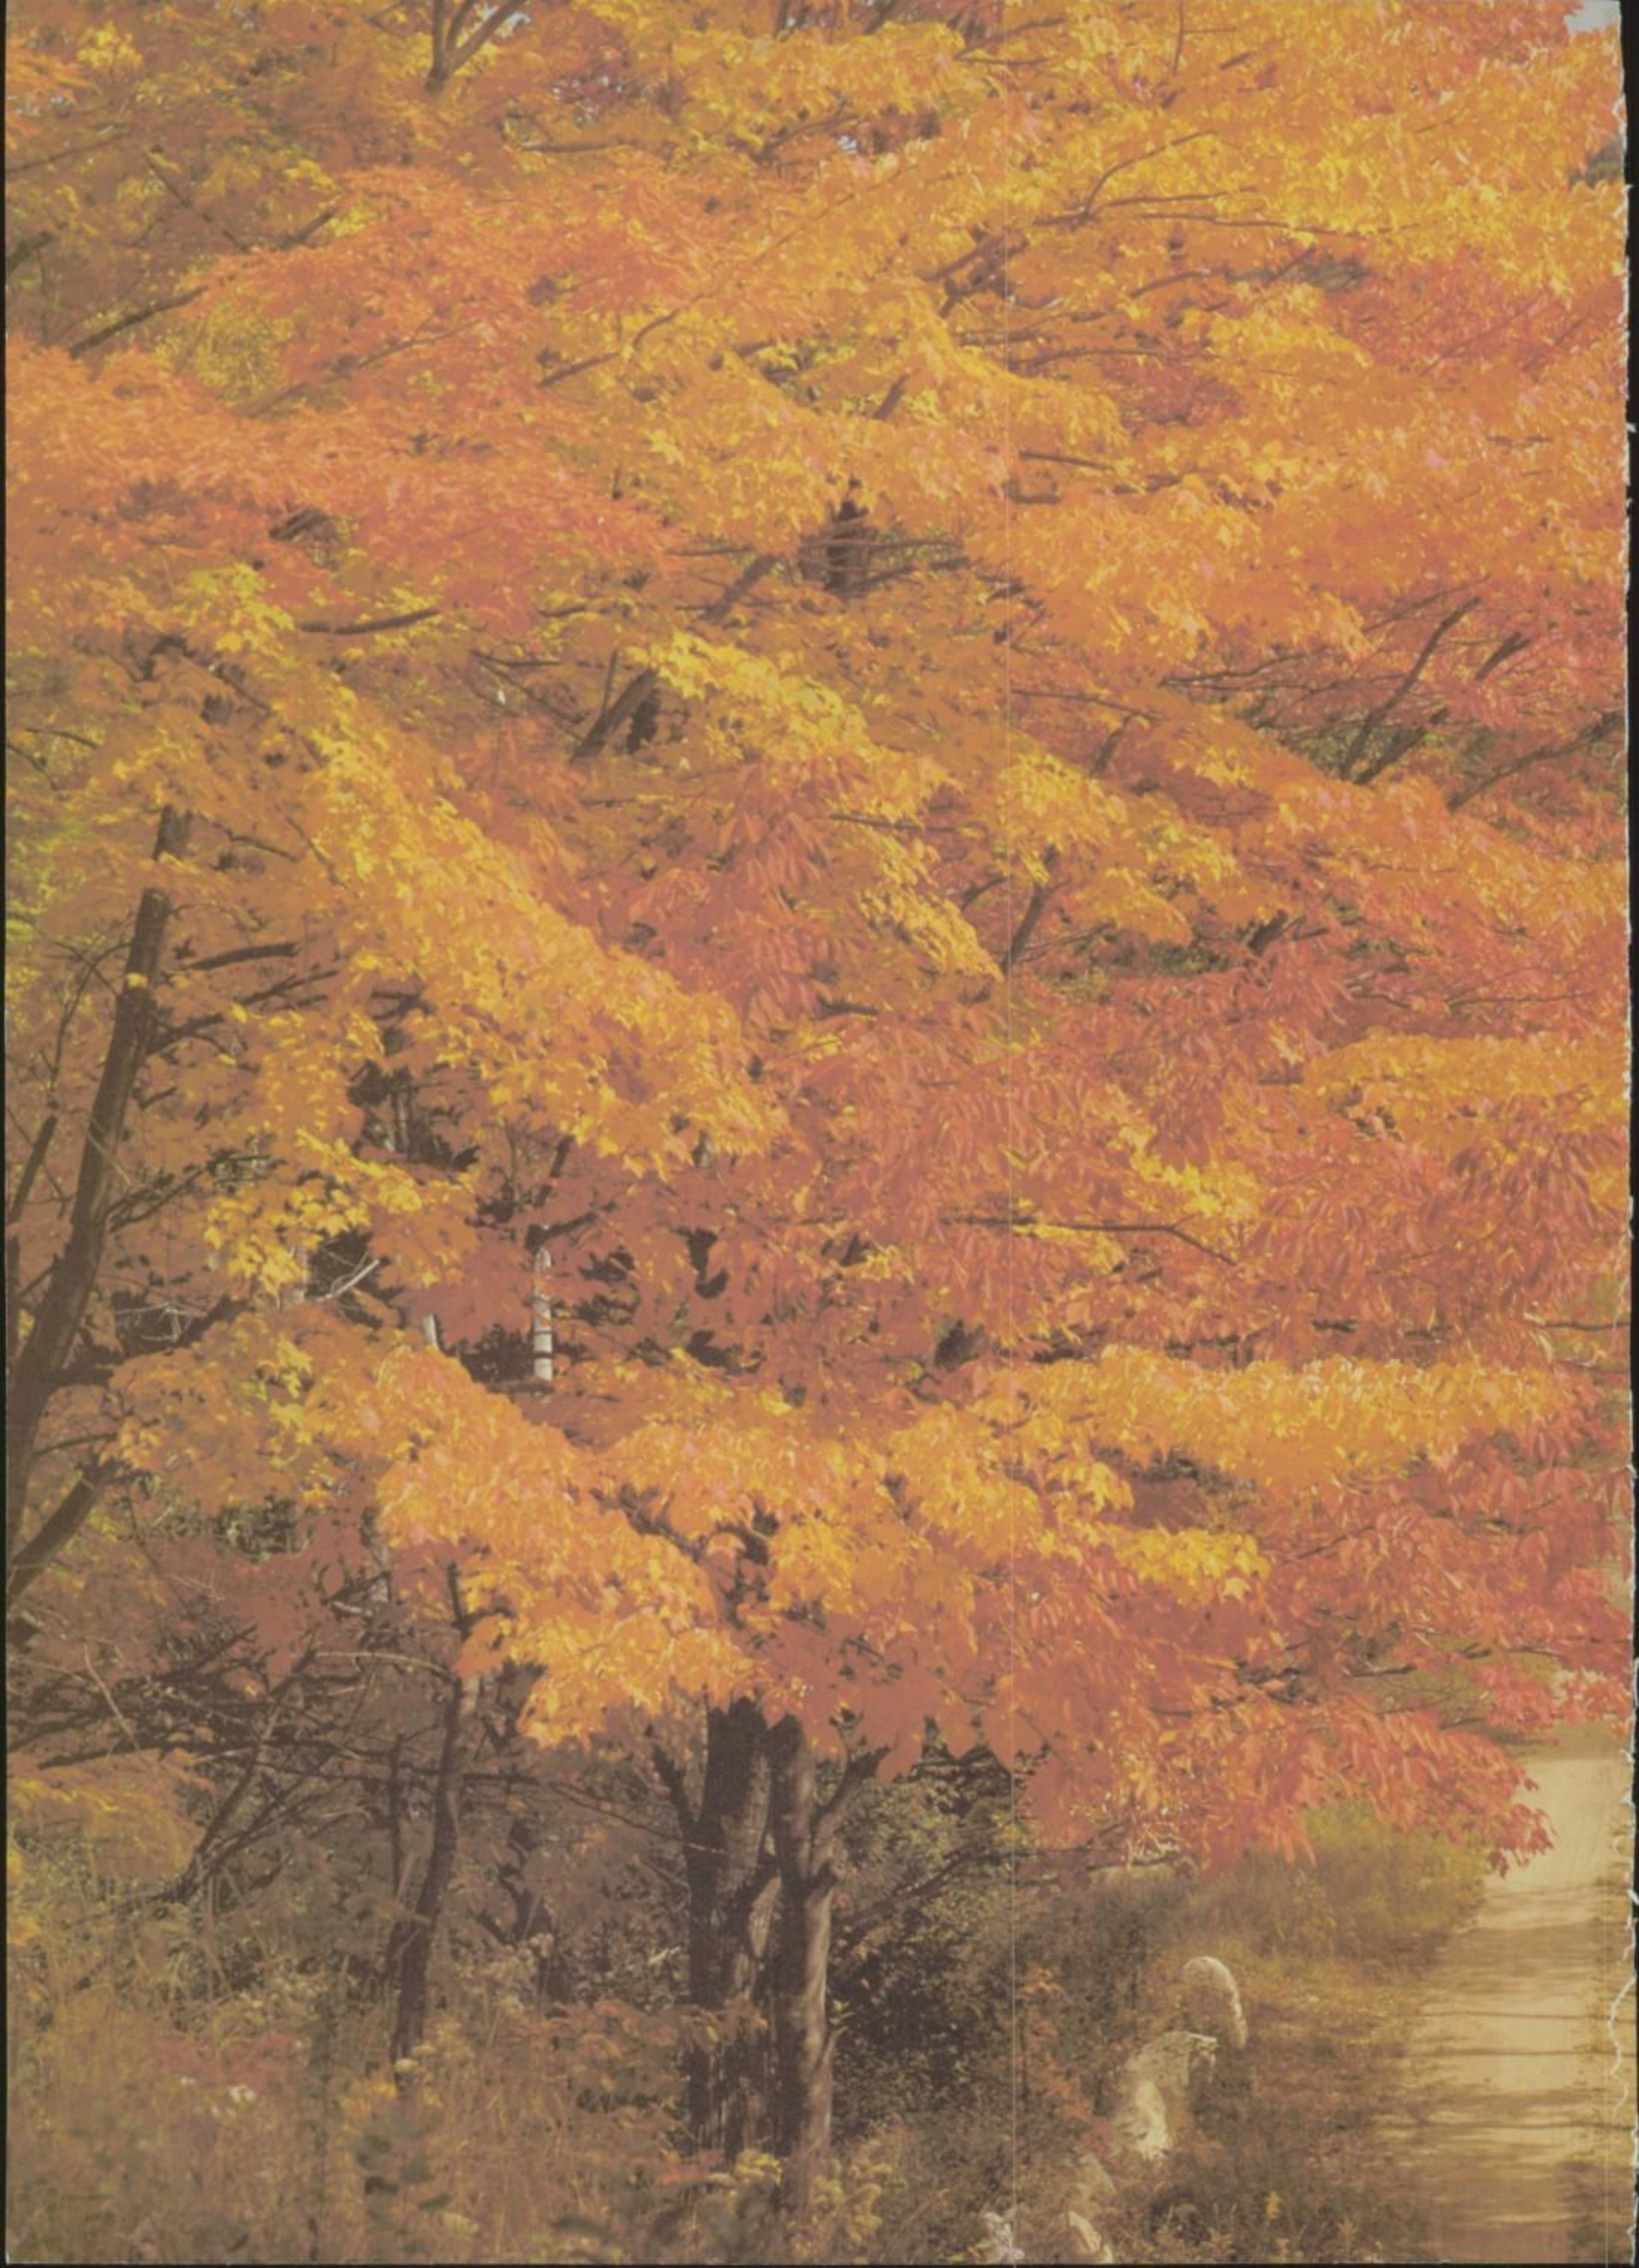
Before the rising sun, we fly,
So many roads to choose,
We start out walking and learn to run.

And yes, we've just begun.

Sharing horizons that are new to us,
Watching the signs along the way,
Talking it over just the two of us,
Working together day to day, together.

And when the evening comes, we smile,
So much of life ahead.
We'll find a place where there's room to grow.

And yes, we've just begun.




— Carpenters
